TOWN WARRANT

To the Inhabitants of the Town of Henniker in the County of Merrimack in said State, qualified to vote in Town affairs:

(L. S.)

You are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Tuesday, the thirteenth day of March, next at one of the clock in the afternoon to act upon the following subjects:

Town meeting will be recessed for School meeting.

Polls open at 1:00 p. m. and close at 8:00 p. m.

The articles in the Warrant will be taken up at 8:00 p. m.

1. To choose all necessary Town Officers for the ensuing year.

2. To hear and act upon the reports of Town Officers, Library Trustees, Trustees of Trust Funds, and other Committees.

3. To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

4. To see what sum of money the Town will vote to raise and appropriate for the repair of highways and bridges, repair or purchase of machinery.

5. To see what action the Town will take in regard to the Public Health, and raise money for the same.

6. To see what sum of money the Town will vote to raise and appropriate to defray the expense of observing Memorial Day.

7. To see what sum of money the Town will vote to raise and appropriate for the support of the Tucker Free Library.

8. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

9. To see what sum of money the Town will vote to raise and appropriate for maintaining hydrant service for the ensuing year.

10. To see what sum of money the Town will vote to raise and appropriate for street lighting for the ensuing year.

11. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

12. To see what sum of money the Town will vote to raise and appropriate for State Aid Construction of Class V Roads.

13. To see what action the Town will take relative to maintaining a Town Dump, raise money for same or take other action relative thereto.

14. To see what sum of money the Town will vote to raise and appropriate for Old Age Assistance.

15. To see if the Town will vote to raise and appropriate the sum of \$780.00 for the support of Concord Hospital.

16. To see what sum of money the Town will vote to raise and appropriate for legal services.

17. To see what sum of money the town will vote to raise and appropriate to construct a community room in the Tucker Free Library basement, or take other action relative thereto.

18. To see if the Town will vote to instruct the planning board to make a study of a central heating plant for the town, to serve the following buildings: grade school, K. P. Hall, high school, library and fire station, or take any other action relative thereto.

19. To see if the Town will vote to have the Selectmen appoint a three-man board to govern the proposed community building, formerly the Town Hall, or take any other action relative thereto. These men to be appointed for 3, 2 and 1 year terms the first time, and thereafter one new man appointed for a term of three years each year.

20. To see if the Town will vote to improve the town right of way from Fairview Avenue to Western Avenue and raise and appropriate money for the same.

21. To see if the Town will vote to put four (4) street lights on Fairview Avenue.

22. To see if the Town will vote to authorize the Selectmen to sell to the United States Government the Connolly lot so-called on route 114.

23. To see if the Town will vote to authorize the Selectmen to sell an easement on land in Azalea Park that will be flooded by construction of the Hopkinton-Everett Flood Control Dam.

24. To see if the Town will vote to raise and appropriate the sum of \$75.00 for the purchase of one large size self-closing Waste Receptacle and attend to the emptying of it, and three other receptacles donated to the town.

25. To see if the Town will vote to authorize the Selectmen to pay dues to the New Hampshire Municipal Association; and by so doing, the Town would become a member.

26. To see if the Town would be in favor of having the history of the Town of Henniker, as compiled and written by Mr. Francis Childs, published in book form, and defray expenses of such publication.

27. To transact any other business that may properly come before said meeting.

Given under our hands and seal, this 15th day of February in the year of our Lord nineteen hundred and sixty-two.

HARRY C. HATCH,
STEPHEN C. BENNETT,
ARTHUR S. HADLEY,
Selectmen of Henniker

A true copy of Warrant —Attest:

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocket-book—yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight per cent of our forest fires result from human carelessness—our carelessness. This, we—you—and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you—

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

1961 Fire Record

Number of fires	1	Number of permits issued	94
Number of acres burned	1/3		
Gerald H. Hight		E. Benjamin Ayer	
District Fire Chief		Forest Fire Warden	

Health Officer's Report

January 5th — 1961

The past year the health of the Community has been good.

The water samples were taken and very good.

All complaints registered with me were investigated and remedied to the satisfaction of all concerned.

GEORGE M. PARMENTER, Sr.
Health Officer

Selectmen:
Town of Henniker,
Henniker, N. H.

Dear Sirs,

Herewith is a report of the Health work which has been done in your community by the Bureau of Public Health Nursing of the New Hampshire State Department of Health in co-operation with your District Nursing Association.

Immunization Clinics:

Number held	2
Total Attendance	102

Polio Clinics:

Number held	2
Total Attendance	182

Very truly yours,

Gertrude J. Snow

Public Health Nurse
Bureau of Public Health Nursing
N. H. State Department of Health

-------	------------

The following budget request for the coming year 1962 is two hundred dollars (\$200.00) more than was authorized in 1961. This increase is to be used mainly for the purchase of new equipment.

The future growth of New England College will at some time soon make it necessary for the Town of Henniker to maintain a full time police department. Possibly by purchasing some extra items of equipment now we can soften the financial burden of later equipping the department. In other words we can spread the cost over a period of years.

During the past year much of the activities of the police department concerned New England College. The fact that so many young boys and girls are turned loose here means that a great many problems will be created, such as traffic problems, parking problems, disturbing of the peace, and criminal violations of many types. All of these problems have to be handled on a part time basis at present.

It is not my desire to suggest the immediate transition to a full time department now, but rather to plan now for the possibility in the near future.

PROPOSED BUDGET 1962

Request the Town of Henniker to raise the sum of \$2,500.00 for the Police Department.

Breakdown as follows:

Summer traffic	\$ 475.00
Criminal Investigation	500.00
Accident Investigation	300.00
Telephone Net	175.00
Payment for Telephone Coverage	100.00
Halloween Patrol	75.00
Flasher Light	75.00
Equipment	300.00
Supplies	200.00
Parking Duty	300.00
	<hr/>
	\$2,500.00

FINANCIAL STATEMENT OF WATER COMMISSIONERS, 1961

REPORT OF THE PLANNING BOARD

The Planning Board met twelve times during the year. Several of these meetings were with representatives of the State Highway Department to review plans for roads now under construction and to check the adequacy of access to the new Route 202 at Robert Moses and at Route 114.

After numerous meetings in the past, with various groups, the Board recommended the formation of a Recreation Commission, to organize, develop, and supervise a program of community recreational activities. It would seem desirable that the community should give this suggestion some attention at Town Meeting.

There has been considerable interest in new industry for Henniker. During the past several years the Board has sought the advice of those versed in this field. The problem has been discussed with Colonel Albert Baker of the Concord Chamber of Commerce, with several members of the State Planning and Development Commission, and with Mr. William J. Roy, analyst for the State Department of Employment Security.

Mr. Roy made several studies of the seven town area of Hopkinton, Hillsboro, Henniker, Warner, Weare, Bradford, and Deering. These studies, made in 1961, were based on 1960 figures and showed that unemployment at Henniker was of the order of about two and one-half percent, while the Concord area was about three, and the national average between four and five percent. A second study showed that there were eighty-six applicants for work in the area, and that most of these were male and unskilled.

This low rate of unemployment is attested to, in part, by remarks of townspeople who at various times have expressed an inability to hire help locally.

It has been pointed out that new industry, gravi-

tates to those areas where there is ample manufacturing space, where there is a favorable community attitude, and where active promotional work is being done.

Primarily, the most important feature is the availability of surplus labor. Additional factors are good roads, nearby air facilities, convenience to recreational areas, favorable tax climate, and ample community facilities such as water, housing, schools, parking, et cetera.

The working population of Henniker has been estimated at 640. Of these about 5% could be considered under employed, meaning they would consider better working conditions and/or pay.

A rough study of an industry employing about fifty people, twenty-five of whom might be estimated to be from new families moving to town, indicates that the cost of additional school facilities might be considerably greater than the income from taxes.

These facts suggest that the answer is the slow acquisition of small industries that would not tax our available facilities and would not require the importation of labor. We are in an excellent position to profit from the spillover from such industrial areas as Manchester, Concord, and Keene, while also profiting by the growth of New England College.

In view of the measure of prosperity now enjoyed by our community, attested to by low unemployment and improved appearance of property, it is recommended that no aggressive action to seek new industry be taken at this time.

However, should the Town desire aggressive action now, it is suggested that a committee be created and funded to proceed with the job of promoting industry for Henniker.

Several other matters might well be considered at Town Meeting. One of these problems, which has recently become mandatory, is the location of a new

town dump. Another, if the Town has any choice in the matter, is the location of a site for the new Post Office.

The Board cooperates with other community organizations and works with New England College personnel in order to continue the task of plotting community facilities.

It would not seem proper to conclude this report without publicly thanking Tom Cullen for his past efforts in behalf of the Planning Board.

Members of the Board are: Harry Hatch, Selectman; Victor Kjellman, Chairman; Ben Weeden, Secretary; Henry Hope; Merle Patenaude, Junior; George Wilkins.

VICTOR H. KJELLMAN

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the town of Henniker qualified to vote in District affairs:

You are hereby notified to meet at the Cogswell School Auditorium in said District on the 13th. day of March, 1962 at 1:00 P. M. to act upon the following subjects:

Polls open at 1:00 P. M. and close at 8:00 P. M.

Articles in Warrant will be taken up at 7:00 P. M.

1. To choose all necessary officers for the ensuing year.

2. To hear reports of Agents, Auditors, Committees or Officers chosen and take action relating thereto.

3. To choose Agents, Auditors, and Committees in relation to any subject in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund, together with other income: the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

5. To see if the district will authorize the school board to make application for and receive in the name of the district, such advances grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

6. To see if the Henniker School District will vote to authorize the construction of an addition to the Henniker Cogswell Memorial High School.

7. To see if the Henniker School District will vote to appropriate \$110,000 or such sum as the district may determine, for the construction and equipment of an addition to the Cogswell Memorial School.

8. To see if the Henniker School District will vote to authorize the school board to issue serial notes or bonds in the amount of \$110,000 or such sum as the district may determine, for the construction and equipment of an addition to the Cogswell Memorial School, and to authorize the school board to determine the time and place of payment and the rate of interest on such notes or bonds, to provide for the sale thereto and to do any and all such acts as they may deem necessary to the issuance, in accordance with the provisions of the Municipal Finance Act—N. H. Revised Statutes Annotated, Chapter 33 and any amendments thereto.

13. To see if the Henniker School District will vote to elect a building committee.

14. To see if the Henniker School District will vote to authorize the school board, acting on the advice of the building committee, to enter into all contracts necessary for the construction and equipment of the addition to the Cogswell Memorial School.

15. To transact any other business that may legally come before said meeting.

Given under our hands this day of February,
1962 at Henniker, N. H.

W. GORDON DUNNING,
EDWARD J. HATLACK,
School Board

State's Share	3000.00
Total Salary	\$8500.00

HENNIKER SCHOOL DISTRICT

Superintendent's Report

When the 1961-62 school year started I felt quite pleased that there were only two changes in the teaching staff. Mrs. Hazel Gilbert had replaced Mrs. Louise Faulkner in the elementary school and Mr. Robert Gauthier had replaced Mr. John Fessenden in the high school. Just before school opened the woman who had agreed to take over high school music moved to Keene and Mr. Gauthier was called into service with the Air National Guard for October 1st. Shortly after this Mrs. Evelyn Woollett told me that she would be unable to finish the year. She actually stayed until just before Christmas, although she would have preferred to leave before Thanksgiving. Mrs. Carol Ann Brown was employed to replace Mr. Gauthier and Mr. Theodore Gladu took over as principal of the high school two days before Christmas vacation. Although he had been employed by the board the latter part of October he had to wait until his successor arrived at Milford.

Immediately after the school meeting in March 1961 a study committee began to study the housing conditions at the high school. This committee, composed of Lester Connor, Chairman, Harry Hatch, Secretary, Victor Kjellman, Edward Damour, Harold Ayer, Gordon Dunning, Merle Patenaude and Edward Hatlack held many meetings all during the summer and fall and completed a report to present to the school district meeting, special or regular. The report was held up while effort was made to see if assistance could be received from the Cogswell Benevolent Trust in Manchester, which could make a significant financial contribution to the building committee's proposal. As of this moment nothing has been heard from the Trustees of the Cogswell Fund.

Through the cooperation of New England College courses have been held on Saturday for exceptional high school students. The first semester courses were offered in Calculus,

Electronics and Chemistry. In addition to these Biology, Modern Math and Organic Chemistry are being offered the second semester. These courses have in effect broadened our high school curriculum and offered our better high school pupils an opportunity to work on a more challenging level than is ordinarily found on the high school level. New England College and Dr. Danforth should be congratulated in helping us institute this fine opportunity for our young people.

This has been a difficult year due to interruption in our teaching staff. I believe I have now located a music teacher which means that we remain a comprehensive high school. There is no question but what each year the State Department of Education, with their tightening of minimum standards, are making it more and more difficult and expensive to remain a comprehensive high school.

I wonder how long the state is going to raise the standards for the high schools and not provide the money to meet these standards. School districts can't add full time physical education teachers, guidance teachers, certified librarians for schools, and add new courses to the curriculum without some other source of income besides a property tax. I am afraid it will be done until you, the people, demand a broad base tax to support our schools.

William C. Sterling
Superintendent of Schools

HENNIKER SCHOOL DISTRICT

Building Committee Report

As a result of the last Henniker School District meeting, a committee was formed to study the crowded conditions at Cogswell Memorial High School. The following people are members of the committee: Lester Connor, Chairman, Harry Hatch, Secy., Victor Kjellman, Edward Damour, Harold Ayer and School Board Members, Gordon Dunning, Merle Patenaude and Edward Hatlack. Mrs. Evelyn Woollett, Principal of Cogswell Memorial High School, and William C. Sterling, Superintendent of Schools, have served as non-voting members of the committee.

Since the School Study Committee was requested to prepare a report not later than the annual school meeting of March 1962, the committee has been working on the study throughout the spring, summer and fall.

At one of the first meetings, Mr. Paul Farnum, Deputy Commissioner of Education, and an expert on school building construction, was present. A thorough study of the present building was made in terms of the school program which must be offered by a comprehensive high school. In view of this study, the conclusion was reached that any addition or alterations of the high school must provide additional space for the following reasons:

1. The size of the present classrooms are inadequate for the present enrollment (Actual areas of present classrooms were printed in the Superintendent's Report in the Henniker Town Report of December 31, 1958)

2. The new highway and the growth of New England College foreshadows increased enrollment in the Henniker Schools.

The committee feels the following are basic mini-

mum needs to be included in any addition to the high school:

a. A shop area of at least 2400 square feet with outside doors wide enough to permit cars to be driven into the shop.

b. A science room of at least 1200 square feet for laboratory experiments as well as classroom space.

c. A language room of 800 square feet.

d. An art education room of 900 square feet which may also be used as a classroom.

e. A room to be used as a school library exclusively.

f. A room for guidance.

g. A commercial area for typing and classroom work.

Having reached these conclusions, the committee felt that they needed professional engineering advice to see how these facilities could be added in a way which would be most beneficial to Henniker. A number of architects were interviewed and Mr. Norman Randlett of Laconia was selected by the committee to assist them in drawing up a plan to present to the school district.

PROPOSAL OF BUILDING

After studying various possibilities of solving Henniker's School District's need for more space, the committee is recommending the following proposal of building a one story addition on the library side of the high school.

This plan will provide for:

1. A new shop providing 2400 square feet of space.

2. A new science room of 1200 square feet.

3. Toilet area which may be used by the public giving more privacy for teams.

4. One language classroom of 800 square feet.

5. One classroom of 800 square feet.
6. A health room and guidance room with a common waiting room.
7. Renovation of the old shop into a typing room and a business education room.
8. Tearing out the wall between the teacher's room and english room and converting this space into a library.
9. Excavating under the stage to provide extra storage space for athletic supplies, music and shop storage. (This excavation will be about a foot and a half to two feet).
10. Change in High School heating system.

This proposal will cost from \$100,000 to \$110,000.

The Committee held eleven meetings during 1961. At the last meeting on Feb. 6, 1962, by unanimous vote of the members present, voted, the Committee recommend that an addition to the present High School, be built according to the plan submitted by Mr. Norman Randlett.

Harry C. Hatch, Sec. Study Committee

PRINCIPAL'S REPORT

The problems that exist in the high school are essentially the same as they were a year ago. The crowded conditions under which the students are forced to work have not been improved. The shop area is considered as one of these, due to the close proximity of the machines and a dearth of work benches. The business courses are conducted in such small rooms that we are forced to schedule extra classes in similar subject areas, thereby reducing the number of courses that could be taught by the same teachers. The study halls are overcrowded because we cannot offer more courses. The boys are in great need of an adequate dressing room, situated apart

from the area used by the general public during sports activities. There are not enough classrooms in the building to provide areas in which additional subjects could be taught adequately. The new standards for comprehensive high schools in this state will require in the immediate future that additional subjects be added to our basic minimal curriculum.

I have observed that there is a great need for additional storage space for chairs, books, and athletic equipment. The chairs for the gymnasium are now stored in the girls' facilities. Eighty-three students are attempting to study General Science this year without any laboratory facilities. General Science is one-fourth of the total academic program for the Junior High School students. A different approach to this problem could only call for larger facilities.

It would be taxing to your patience to list other important changes that are necessary. With continued increased enrollment in high school, few drop-outs, and increased requirements, it does seem logical that expanded school facilities are a must. To put off expansion now is to hamper the educational opportunities that must be offered the children of Henniker at a time when knowledge is so important in their lives.

I am very happy to have the opportunity of serving your children and only wish that there was more that I could do for them. I greatly appreciate the cooperation and assistance of the fine teachers on the staff and the wholesome welcome I have encountered thus far in my stay here in Henniker. I especially wish to thank the students for the fine way in which they are participating in school life.

THEODORE E. GLADU,
Principal

SCHOOL LUNCH REPORT

The School Lunch Program was in operation from September 19, 1960 to May 16, 1961. During this time there was a total of 21,089 children served and 130 adults. The daily average of which was 143.

We were fortunate in having fresh fruit and vegetables donated to us by people having a surplus in their gardens last fall. For these we are thankful as they not only help our budget, but add variety to our menus.

The lunch room was painted during the year by volunteer members of the P.T.G. They also provided drapes for the dining room windows, making it a little more cheerful for the children. A garbage disposal was installed in the kitchen by the board.

My sincere thanks to the parents, teachers, board and especially the grade school teachers for their fine cooperation and many extra steps and time spent in making this year a successful one.

Respectfully submitted,
Ercel E. Sterling, Manager

HENNIKER SCHOOL BUDGET — 1962-1963

EXPENDITURES

ADMINISTRATION

	Financial Report 1960-1961	Adopted Budget 1961-1962	Revised Budget 1961-1962	Budget 1962-1963

REVISED CIVIL DEFENSE AIR RAID INSTRUCTIONS

ALERT SIGNAL

A steady blast of 3 to 5 minutes on sirens, whistles, horns or similar devices.

What To Do

DO NOT use the telephone.

Tune your radio to a Conelrad station (640 or 1240 kc) for emergency instructions.

DO NOT become panicky if your radio is silent for a short time. This is necessary to switch to emergency broadcasting frequencies. Know your local civil defense emergency plans. Obey police and civil defense instructions.

TAKE COVER SIGNAL

WAILING TONE OR SHORT BLAST for 3 minutes on sirens, whistles, horns, or similar devices.

What To Do

AT HOME: Get into your home shelter immediately.

If you have none, shut all outside doors and windows and take cover in the basement or an interior first-floor room.

OUTDOORS: Seek the best available cover.

STAY PUT until you get word to come out.

IMPORTANT: If you see a bright flash of light take cover instantly.

640 —

— 1240

REMEMBER CONELRAD IS THE KEY

640 —
